Choosing the right value in your **Astronomy Activity And Laboratory Manual Answers** e book is among the most critical components of the marketing process. The first rule of pricing ebooks is to never underprice. Determine the very best worth your audience can afford, after which when you find your book isn't selling, you'll be able to at all times scale back the price. Before you take that step, ensure you are promoting your Astronomy Activity And Laboratory Manual Answers guide like crazy on the Internet and on websites. The value must be aimed toward bringing in income, but it is best to never neglect that worth is likely one of the factors that individuals use in judging the value of your *Astronomy Activity And Laboratory Manual Answers* e-book ? earlier than they buy it. So at all times begin with the best worth, and then launch a mega-marketing campaign.

Pricing an ebook is especially tough as a result of ebooks are a reasonably new commodity. Since

they are digital, the value of an ebook is as confusing as the understanding of what digital really is to the common layperson. Which means we should look at ebooks in a special light to be able to determine their actual worth on this brave, new cyber world.

Let's take a look at the distinction between a ebook in print and an ebook. A printed ebook is an object you'll be able to hold in your hand, store in your bookshelf, even hand down to the following generation. It's priced on components such as paper stock, design and production costs, and marketing.

However the truth that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books that have the flexibility to vary, or probably rework, people's lives.

What do you think an idea is price when evaluated towards the cost of paper and ink?

It's the IDEAS that are worthwhile! That's how you determine the cost of your ebook.

What should I cost for my ideas?

There are all totally different formulation and strategies for determining the proper price for your ebook. Let's start with honing in in your ultimate goals.

Determine if your purpose is to get huge distribution and maximum exposure. This goal is aimed at drawing prospects to your corporation or service, or to establishing the credibility of your reputation. If that is your principal aim, it is best to intention to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a high variety of new customers. The bottom line is to find a price that maximizes your earnings and the number of books you sell.

This is a wonderful pricing technique if you're looking to purchase lengthy-time period customers. Long-time period prospects are extremely probably to buy from you once more and again ? so long as the primary book they purchase is of distinctive high quality and beneficial to the customer.

Nevertheless, if your book comprises priceless ? and more importantly NEW data, references, or strategies ? then you need to aim to cost it on the excessive end.

After you figure out your objective, you have to determine what your viewers's need is to your ebook. For example, does your book solve a particular problem? If it does, and solves it in a approach that hasn't been written about in 100 other ebooks, you'll be capable of achieve excessive

sales at a excessive price. If your book solves a problem or solutions questions in a new and unique way, you need to value your e book as excessive as you may go. You will achieve larger earnings this fashion, but bring in fewer customers. Simply make sure the query or problem that your e book solves is one that is necessary and relevant to the majority of your market audience. In case your concepts aren't frequent knowledge, or you might be presenting a model new technique, it is possible for you to to sell books at a excessive price. Just be prepared for your competition to undercut you on worth as quickly as they hear about your book.

Needless to say the above pricing technique is temporary. Eventually, you'll stop to promote books at this high price. So figure out upfront how long you plan to supply your book at this excessive worth, and when that point is up, change your pricing strategy.

If you wish to see large profits over customer draw, aim for an audience that is in search of straightforward options to their problems at a low price. If your ebook is geared toward solving one explicit problem rather than normal recommendation, then you can charge more. Start at the highest worth the market will bear to bring in the largest income, and plan to discount the ebook a number of occasions all through the year.

Advertising Methods

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that becomes your promoting handle. This sentence states what question or problem your guide solutions and the benefits your ebook can provide. Then make sure you use that sentence in

each piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

Apart from promoting your books assiduously online, there are a number of different strategies that can enable you promote extra books.

One is to present one thing away for free with your guide, comparable to a beneficial bonus item. Or bundle a number of ebooks beneath one worth, which lowers the price for each e book in the event that they had been bought separately.

An efficient method for determining a price is to ship out a survey to your present customers. If these prospects have already purchased an book from you, ask for his or her opinion by way of price. Do this by making a gross sales web page for the new e-book, however don't embrace a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be sure that your sales copy is strictly the identical on each web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum price is.

Ultimately, when you've written a e-book that solves a drawback or presents a brand new approach, your e-book will herald each visitors and profits. So you'll want to write that selling-deal with sentence that sums up what problem your ebook solves and what the advantages of your *Astronomy Activity And Laboratory Manual Answers* ebook shall be to the purchasers who purchase it. And then watch your market come to you!
