How to Price Your **Event Planning Guide** eBook

You've written and compiled an **Event Planning Guide** ebook. Now you have to decide how much to cost for it. Discovering the appropriate worth is essential to the success of your product. If you cost too little Event Planning Guide , individuals will suppose it's of little worth, they usually will not purchase it, and even it they do purchase your e-book, you'll have to sell thousands of copies to get to the purpose where you can begin to see a profit. When you *Event Planning Guide* price it too high compared together with your competitors, you'll discover your self steadily reducing the worth, which will trigger you all kinds of new issues in the future.

Selecting the best value for your **Event Planning Guide** e-book is one of the most important elements of the advertising process. The first rule of pricing ebooks is to never underprice. Determine the best worth your audience can afford, after which when you discover your guide isn't promoting, you may always reduce the price. Before you're taking that step, make sure you are selling your Event Planning Guide e book like crazy on the Internet and on websites. The value must be aimed at bringing in profits, but it is best to never neglect that value is among the factors that individuals use in judging the worth of your *Event Planning Guide* e-book ? before they purchase it.

So always begin with the best worth, and then launch a mega-advertising campaign.

Pricing an e-book is especially difficult as a result of ebooks are a reasonably new commodity. Since they are digital, the value of an e book is as complicated as the understanding of what digital actually is to the common layperson. Which means we must have a look at ebooks in a special gentle with a purpose to decide their precise worth in this courageous, new cyber world.

Let's look at the distinction between a guide in print and an ebook. A printed guide is an object you possibly can maintain in your hand, retailer in your bookshelf, even hand down to the subsequent generation. It is priced on elements such as paper stock, design and production costs, and marketing.

However the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the ability to alter, or possibly rework, individuals's lives.

What do you think an concept is worth when evaluated against the price of paper and ink?

It is the IDEAS that are precious! That is the way you determine the cost of your ebook.

What should I cost for my ideas?

There are all different formulation and methods for determining the proper price for your ebook. Let's begin with honing in on your final goals.

Determine if your objective is to get large distribution and maximum exposure. This purpose is aimed at drawing clients to what you are promoting or service, or to establishing the credibility of your reputation. If that is your essential objective, you need to goal to maintain your value on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high variety of new customers. The key is to discover a value that maximizes your earnings and the number of books you sell.

This is a superb pricing strategy if you're seeking to acquire lengthy-term customers. Long-time period customers are extraordinarily probably to buy from you once more and again ? as long as the first e book they purchase is of exceptional quality and beneficial to the customer.

Nonetheless, in case your guide incorporates precious ? and extra importantly NEW data, references, or methods ? then it's best to goal to cost it on the high end.

After you figure out your purpose, you will need to work out what your viewers's need is in your ebook. For instance, does your e-book clear up a selected problem? If it does, and solves it in a manner that hasn't been written about in one hundred different ebooks, you will be in a position to obtain high gross sales at a high price. In case your guide solves a problem or solutions questions in a new and distinctive way, it's best to value your book as high as you may go. You'll obtain larger earnings this fashion, however usher in fewer customers. Simply ensure the query or downside that your e book solves is one that is important and relevant to the majority of your market audience. If your concepts aren't common information, or you are presenting a model new approach, it is possible for you to to sell books at a high price. Simply be ready to your competitors to undercut you on worth as quickly as they hear about your book.

Remember the fact that the above pricing technique is temporary. Ultimately, you'll cease to sell books at this excessive price. So determine in advance how long you plan to offer your e book at this high value, and when that time is up, change your pricing strategy.

If you want to see giant profits over customer draw, aim for an viewers that's in search of easy options to their problems at a low price. If your e book is aimed at fixing one particular drawback rather than basic advice, then you can cost more. Start at the highest value the market will bear to bring in the largest income, and plan to low cost the book a number of occasions throughout the year.

Advertising Strategies

The key that unlocks the sales potential of your ebook is to find a single sentence that becomes your selling handle. This sentence states what query or downside your book answers and the benefits your book can provide. Then you should definitely use that sentence in every piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Apart from selling your books assiduously online, there are several other methods that can assist you sell more books.

One is to give one thing away free of charge with your e book, equivalent to a useful bonus item. Or bundle several ebooks underneath one worth, which lowers the price for each ebook if they were offered separately.

An efficient method for figuring out a price is to send out a survey to your present customers. If these customers have already bought an book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the new book, however do not embrace a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with completely different costs on each page. Make certain your gross sales copy is exactly the identical

on each page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum price is.

Ultimately, in case you've written a e book that solves a downside or presents a new approach, your book will usher in both traffic and profits. So make sure you write that promoting-handle sentence that sums up what problem your ebook solves and what the advantages of your *Event Planning Guide* book can be to the purchasers who buy it. After which watch your market come to you!
