An effective method for determining a worth is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new e book, but don't embody a worth on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with totally different prices on each page. Be sure that your sales copy is strictly the same on each

page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum price is.

Ultimately, should you've written a e-book that solves a downside or presents a brand new approach, your e book will usher in both traffic and profits.
