An efficient method for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the brand new ebook, however don't embody a value on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a number of duplicate gross sales pages with different prices on each page. Ensure that your sales copy is exactly the similar on each web page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum price is.

In the end, in the event you've written a book that solves a downside or presents a brand new method, your book will herald both site visitors and profits.
