Do that by making a sales page for the new guide, however don't include a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with completely different costs on each page. Make sure your sales copy is exactly the same on every page, and

includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum worth is.

Finally, if you've written a book that solves a drawback or presents a new method, your e book will herald both visitors and profits.
