As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is strictly the similar on each web page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.
