An efficient technique for figuring out a value is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the brand new ebook, but don't embody a value on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with different costs on every page. Be sure that your sales copy is precisely the same on each page, and

contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum value is.

Finally, should you've written a e-book that solves a problem or presents a new technique, your ebook will bring in both site visitors and profits.
