As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with completely different prices on each page. Be sure your sales copy is exactly the identical on every

web page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum price is.
