Choosing the proper worth on your **Ssi Open Water Study Guide Questions Answers** book is likely one of the most critical parts of the advertising process. The first rule of pricing ebooks is to by no means underprice. Determine the best value your viewers can afford, after which if you happen to find your e-book isn't promoting, you'll be able to at all times scale back the price. Before you're taking that step, be sure to are selling your Ssi Open Water Study Guide Questions Answers e-book like crazy on the Internet and on websites. The price ought to be aimed toward bringing in profits, but you need to by no means neglect that value is one of the components that people use in judging the value of your *Ssi Open Water Study Guide Questions Answers* e-book ? earlier than they buy it. So at all times begin with the highest value, and then launch a mega-advertising campaign.

Pricing an e book is particularly difficult because ebooks are a fairly new commodity. Since they're

digital, the worth of an e book is as confusing as the understanding of what digital truly is to the common layperson. Which means we must take a look at ebooks in a different light with the intention to decide their precise worth in this brave, new cyber world.

Let us take a look at the difference between a guide in print and an ebook. A printed book is an object you may hold in your hand, store on your bookshelf, even hand down to the following generation. It is priced on components such as paper inventory, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the concepts in these books which have the flexibility to change, or probably transform, folks's lives.

What do you think an idea is value when evaluated against the cost of paper and ink?

It is the IDEAS which might be useful! That is how you decide the price of your ebook.

What ought to I charge for my ideas?

There are all totally different formulas and methods for figuring out the right worth on your ebook. Let's begin with honing in in your ultimate goals.

Resolve in case your goal is to get huge distribution and most exposure. This goal is aimed at drawing clients to your small business or service, or to establishing the credibility of your reputation. If that is your essential goal, you should intention to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive number of new customers. The hot button is to find a worth that maximizes your earnings and the number of books you sell.

This is a superb pricing strategy in case you are looking to purchase lengthy-term customers. Long-term clients are extremely doubtless to purchase from you again and again ? as long as the first e-book they buy is of distinctive high quality and helpful to the customer.

However, if your e book incorporates invaluable ? and more importantly NEW info, references, or methods ? then you should intention to price it on the excessive end.

After you figure out your purpose, you must determine what your viewers's need is for your ebook. For example, does your e-book solve a particular problem? If it does, and solves it in a approach that hasn't been written about in one hundred different ebooks, you will be capable of achieve

excessive sales at a high price. In case your book solves an issue or answers questions in a new and unique approach, you need to value your guide as high as you'll be able to go. You will achieve larger profits this fashion, however bring in fewer customers. Simply be sure that the question or problem that your book solves is one which is essential and related to nearly all of your market audience. If your concepts should not common data, or you are presenting a model new method, it is possible for you to to promote books at a high price. Simply be prepared on your competition to undercut you on worth as quickly as they hear about your book.

Take into account that the above pricing technique is temporary. Ultimately, you will cease to sell books at this excessive price. So work out in advance how long you plan to offer your book at this excessive value, and when that point is up, change your pricing strategy.

If you wish to see massive profits over customer draw, aim for an viewers that is in search of easy solutions to their problems at a low price. If your ebook is aimed toward fixing one specific drawback rather than common recommendation, then you possibly can charge more. Start at the highest value the market will bear to bring in the largest profits, and plan to discount the book a number of occasions all through the year.

## Advertising Strategies

The key that unlocks the sales potential of your e-book is to discover a single sentence that turns into your selling handle. This sentence states what question or downside your e-book answers and the advantages your ebook can provide. Then you should definitely use that sentence in every piece of

sales and promotional materials, and each time anybody asks you about your ebook.

In addition to promoting your books assiduously online, there are a number of different methods that can provide help to sell extra books.

One is to offer one thing away without cost with your book, akin to a priceless bonus item. Or bundle a number of ebooks under one worth, which lowers the price for every e-book if they have been offered separately.

An effective approach for determining a price is to send out a survey to your current customers. If these customers have already purchased an e book from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the brand new ebook, but do not include a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be certain that your sales copy is precisely the similar on each page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum price is.

Ultimately, if you've written a e book that solves a drawback or presents a brand new approach, your book will bring in each visitors and profits. So you should definitely write that selling-handle sentence that sums up what downside your guide solves and what the benefits of your *Ssi Open Water Study Guide Questions Answers* book shall be to the purchasers who purchase it. And then watch your market come to you!
