If you want to see massive profits over customer draw, goal for an audience that's in search of straightforward solutions to their problems at a low price. If your e book is aimed toward solving one particular problem fairly than general recommendation, then you can charge more. Begin on the highest worth the market will bear to herald the largest profits, and plan to discount the ebook a number of times all through the year.

## Marketing Methods

If these prospects have already bought an book from you, ask for his or her opinion when it comes to price.
